<b>Next Review</b>	<b>September 2023</b>

In recruiting staff to vacant posts, the College will:

- Ensure that there is a clear statement confirming the College's commitment to safeguarding and promoting the welfare of all its students in all recruitment materials, induction training and in job descriptions.
- There will be one suitably trained person on each selection panel for every appointment made within the College who will advise on child protection matters appertaining to interviewees. Before any appointment there will always be a face-to-face interview that explores the candidate's suitability to work with children as part of ascertaining his/her suitability for the post. All interviewees will be questioned on their awareness of child protection issues.
- All applicants will list employment history with exact dates and explain all gaps.
- In job descriptions, make reference to the responsibility of safeguarding and promoting the welfare of children; all person specifications will include reference to suitability to work with children.
- Approach referees for all short-list candidates, including internal applicants, and ensure referees are sent the job description and person specification. A written reference will always be taken from the most recent employer. If the applicant is not working with children but has done so in the past an additional reference will be obtained from the employer by whom the applicant was most recently employed to work with children. Referees will be provided with a standard reference pro-forma that asks for general comments on the candidate's performance history and conduct.
- Not accept open references from candidates. References will be obtained directly from referees.
- Disclosure and Barring Service check. Due to the nature of the work, the School applies for an enhanced disclosure from the Disclosure and Barring Service (DBS) in respect of all prospective staff members. An enhanced disclosure will contain details of all convictions on record (including those which are defined as "spent" under the Rehabilitation of Offenders Act 1974) together with details of any cautions, reprimands or warnings held on the Police National Computer. An enhanced disclosure will also reveal whether an applicant is barred from working with children or young adults by virtue of his/her inclusion on Recruitment, Selection and Disclosure Policy 5 the lists of those considered unsuitable to work with children or young adults maintained by the DBS. An enhanced disclosure may also contain non-conviction information from local police records which a chief police officer thinks may be relevant in connection with the matter in question. If there is a delay in receiving a DBS disclosure the School has discretion to allow an individual to begin work pending receipt of the disclosure. This will only be allowed if all other checks, including a check of the Children's Barred List have

been completed and once appropriate supervision has been put in place.

- Ensure that proof of identity is obtained from all employees without exception and a copy will be kept on file. Exam and degree certificates and/or certificates of professional qualifications will be requested from all staff for whom this is appropriate and copies will be kept on file.

DETAILS OF ALL MEMBERS OF STAFF WILL BE HELD ON A SINGLE CENTRAL REGISTER.

## **EQUAL OPPORTUNITIES IN EMPLOYMENT POLICY**

### **INTRODUCTION**

The College bases its principles for the employment of staff on the concept of equal opportunity. It is now considered desirable, for ease of reference and operation and in order to promote and facilitate equality of opportunity, to consolidate and develop existing practices and objectives into a single statement of equality of opportunity.

### **GENERAL STATEMENT OF POLICY**

It is the intention of Wentworth College that no job application will receive less than favourable treatment because of an applicant's disability, sexuality, race, colour, nationality, racial or ethnic origin. An applicant will not be disadvantaged by any other consideration or requirement which cannot be shown to be justifiable.
